	7.	On 9 September, the barracks buildings of Unit Busigin at the barracks installation west of Olympisches Dorf were still heavily occupied.
25X1	8.	the Altes Lager and Neues Lager
25X1		years not occurred to caracity. Major Dubinka (fnu) was seen in the
		barracks area on 9 September. Twelve soldiers wearing red-bordered black epaulets with gas masks on were seen receiving training on 76-mm field
		many and 3/ soldiers were seen engaged in formation orlif at the orlif
		grounds. About 80 NCOs in dress uniform with baggage were lining up and were inspected by a coloner. A Soviet soldier stated that these NCOs left
25X1		for a special course. On O September, a colonel wearing black-bordered
		black epaulets with signal insignia was seen in the barracks area. he was the commanding officer of a unit wearing
25X1		black-bordered black epaulets with signal insignia. A radio car was seen under a lean-to roof.
25X1	0	On 9 September, Captain Vasilyev (fmu) was in the former komendatura
	9.	at Altes Lager. Lieutenant Nazarenkov (fnu) was still on leave in the USSR
	30	On 9 September, the barracks area of Unit Boshko in Olympisches Dorf was
	10.	occupied by between 200 and 250 soldiers wearing red-bordered black
		epaulets with artillery insignia. The soldiers were seen reconditioning their quarters.
	11.	On 7 September, Colonel Tulenev (fnu), Lieutenant Colonel Kondratov (fnu) and Lieutenant Colonel Kumettsov (fnu) were in the Schoenwalde Fliegerhors Kaserne. Source believed that the barracks buildings were still heavily occupied by AAA units on 7 September. At about 11 a.m. on 7 September,
		a radio car with a round antenna and a radio installation was at the drill grounds, a house tent was nearby. The three AAA emplacements were still occupied on 7 September. The guns were covered and the emplacements were guarded by sentries. About 60 soldiers were engaged in drill on the road
		west of the barracks installations.
25X1	12.	On 7 September, the barracks buildings of Unit Chesnakov were heavily occupied. Lieutenant Colonel Chesnakov (fnu) and Supply Captain Ostapshuk (fnu) were at the installation. On 7 September, rocket launcher of 132 mm caliber left the barracks area toward Boetzow.
0EV4		to the helpeny and
25X1	13.	On 7 September, the construction of the bakery was nearing completion and that only the base for dough kneading machines
25X1		still had to be set up. 2
	14.	On 7 September, the former Panzer Kaserne in Gross Glienicke was heavily occupied by Unit Pavelyukov.
	15.	On 7 September, the barracks buildings, except one which housed a detail
0EV4	ەرخ	of Unit Pavelyukov of Soviet border guard troops wearing black-bordered crimson epaulets, were vacated. 3
